

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office  
FLOOR DEBATE

February 10, 2003 LB 119

believe that because we already have a newborn screening process in the state that...where...that everyone participates in, that we can give the department the authority to develop the rules and regulations about how they will restrict use of that material after the testing is done. And so I feel comfortable that we are maintaining the appropriate consent for predictive genetic testing without doing anything that's going to be problematic for our newborn screening process. Thank you.

SENATOR ENGEL: Thank you, Senator Brown. Open for discussion. I see no lights. Do you care to close, Senator Brown? Senator Brown waives closing. The question for the body is the adoption of the Brown amendment. All those in favor vote aye; all those opposed vote nay. Mr. Clerk, record.

CLERK: 31 ayes, 0 nays, Mr. President, on the adoption of Senator Brown's amendment to the committee amendments.

SENATOR ENGEL: We're back to discussion of the committee amendments. Is there any discussion? I see none. Would you care to close, Senator Jensen? Jensen waives closing. All those in favor vote aye; all those opposed vote nay. Record, Mr. Clerk.

CLERK: 30 ayes, 0 nays, Mr. President, on the adoption of committee amendments.

SENATOR ENGEL: Adopted.

CLERK: Mr. President, Senator Brown would move to amend the bill with AM0028.

SENATOR BROWN: I'll withdraw that amendment.

SENATOR ENGEL: The amendment is withdrawn.

CLERK: I have nothing further on the bill, Mr. President.

SENATOR ENGEL: Discussion is open on the bill itself. I see no lights. Senator Brown, would you care to close? Senator Brown waives closing. So we vote on advancement of the bill. All
